

Warranty Terms

This document outlines the coverage, limitations, and responsibilities associated with the warranty provided for vehicles and accessories. Understanding these terms ensures proper use and simplifies claims when issues arise.

1. Scope of Coverage

- The warranty applies to defects in materials and workmanship under normal use.
 - Coverage includes repairs or replacements of faulty parts at no additional cost.
 - Some components may have specific warranty periods separate from the general coverage.
-

2. Warranty Duration

- Standard coverage begins on the vehicle's delivery date or accessory installation date.
 - Duration is measured in months or years, or by mileage limits, whichever comes first.
 - Extended warranty options may be available for certain components or services.
-

3. Exclusions

- Damage caused by misuse, accidents, neglect, or improper maintenance is not covered.
 - Modifications, alterations, or use of non-approved parts may void warranty coverage.
 - Cosmetic wear, consumables, and routine maintenance items are generally excluded.
-

4. Claim Process

- Report defects to an authorised dealer or service center as soon as they are identified.
- Provide proof of purchase, installation, and any maintenance records.

- Technicians will inspect the issue to determine eligibility and recommended actions.
-

5. Repair and Replacement

- Eligible repairs are carried out using original or approved replacement parts.
 - Labor costs for covered repairs are included under the warranty.
 - If a part cannot be repaired, it will be replaced in accordance with manufacturer standards.
-

6. Limitations

- Warranty coverage is non-transferable unless specified otherwise.
 - Certain regional regulations may modify the scope or duration of coverage.
 - The manufacturer is not liable for incidental or consequential damages resulting from defects.
-

7. Maintenance Obligations

- Regular maintenance according to manufacturer guidelines is required to retain warranty coverage.
 - Keep records of service visits, replacements, and inspections.
 - Failure to maintain the vehicle or accessory properly may reduce or void coverage.
-

8. Contact Information

- For warranty claims or questions, contact authorised dealers or the manufacturer's customer support.
- Keep contact details handy for timely assistance during emergencies or unexpected issues.
